## 1998 MC Texas Championship

September 19-20, 1998 Fleet 41 Arlington YC, Texas

Report from Drew Mize

Peace everyone!! MC Fleet 41 of the Arlington Yacht Club hosted the 1998 Texas State Championship Regatta on the weekend of October 31-November 1, a bit delayed from our originally planned September dates due to the extremely low lake levels during the summer months. Lake Arlington was one of the worst effected lakes during the southern drought with its worst point falling to nearly 15' below normal. Needless to say there was no sailing between early July and late September.

Seven Oklahoma, seven Rush Creek and eight Arlington Yacht Club boats made up the 23 boats. A twisted theme this year was thought up by Jack Hattendorf, a set back to the 70s was the aurora as the regatta adopted a pseudo name - "Peace, Love, and MC Scows." Tie-Dye regatta shirts, fro wigs, beads, peace symbols, and lava lamp trophies topped off the event as everyone enjoyed the weekend. Fortunately there was no "free love"

happening around the area, at least from what I could see!!

The weekend's racing began Saturday morning with cloudy skies and a solid chance of rain and cool weather as the weekend continued. The RC decided to get in as many as they could on Saturday. Four races were completed in 5-10 knot southerly breezes.

A catered BBQ dinner followed that evening with gobs of door prizes, and the return of Charlie Lind from the hospital with seven stitches in his forehead suffered in an altercation with his boom. (Editor's note: The boom always wins!)

Sunday morning brought the expected rain and cold, and the "lack of interest" consensus was achieved and the remaining races cancelled.
