1994 ILYA Championship Masters and Grand Masters Winner
Salty Schwarting, Fleet 38, Pewaukee Yacht Club, Wisconsin

1994 IMCCSRA Masters

August 25-27, 1994 Fleet 10 Grand Rapids Yacht Club, MI

Unfortunately your Executive Secretary put a double-whammy on this the 3rd Annual Masters Regatta. First by publishing a date which conflicted with another regatta, and then changing to a date which did not appear to conflict. It turned out it made it difficult for sailors participating in the ILYA Championship at Green Lake, Wisconsin to make it to Grand Rapids later in the same week. Our apologies to one and all of the over 130 Masters and Grand Masters.

Having said this, let me say it didn't detract from the beautiful sailing winds and weather and on-shore meals and fun.

Defending champion, Tim Fredman, repeated with outstanding skill in Reeds Lake's tricky winds. I asked him about it, and he reminded us that he sails in similar conditions on his home lake, Pine Lake in Wisconsin.

We trust the Cedar Lake, Wisconsin Regatta Chairman for the 1995 Masters will do a better job of picking a date. And, we hope to see a great turnout.
