1994 MC NATIONALS

June 8-11, 1994, Fleet 38 Pewaukee YC, WI

It doesn't take a rocket scientist (please excuse the cliché) to figure out that the winds were extremely fickle for this year's 23rd running of the MC National Championship. Take a look at some of the variations in finishes -- from 1st to 37th, 1st to 47th, a 2nd to 53rd!!! And, look at the top professional finisher -- in 11th place overall!

Winds on Thursday and Friday were light and variable and allowed just three races total. Saturday we awakened to some air on the lake and went out to a somewhat steadier, stronger wind which saw Glen Walborn winning this race. A fifth race was started but encountered a fierce line squall which tipped about 30 boats over in a matter of seconds. I, personally survived three blasts, only to give in to the fourth.

Our thanks to the Pewaukee Yacht Club and Regatta Chairmen Dan and Tammy Quiram and their committees for hosting this year's regatta.
