

Orlando Webb Memorial and MW Championship Regatta

May 20-22, 1994 Fleet 14 Missouri YC, Lake Lotawana, MO

Submitted by Glenn Foulke, Regatta Chairman

This year's running of the Webb Memorial and Midwest MC Championship Regatta saw a turn-out of 38 boats.

The wind was a little easier on us than in the previous two years. Most participants sailed the regatta single-handed. We had tune-up race Friday afternoon, three races Saturday, and one race Sunday morning.

Besides the joy of struggling to beat the next guy or gal to the finish line, the social activities were also a lot of fun. Bob and Helen Keith hosted another great Friday night dinner/party at their lake-side home. Saturday night brought us to the Missouri Yacht Club for sausage manicotti and a rockin' DJ.

Thanks to all the participants for again supporting our regatta and making it successful!
