

28th Annual Black Tie Regatta

Rush Creek Yacht Club, TX - April 19 - 21, 1991

A total of 114 scows gathered at Rush Creek YC for this annual regatta--43 MCs, 44 Cs, 13 Es and 13 M-20s. In the MC fleet 10 states were represented with Tom Calvy of Fullerton, CA getting the distance award.

I talked to Jay Mize of the newly formed fleet at Arlington YC, TX on Sunday evening and he tells me the sailors at the Black Tie had very good winds and plenty of waves to exercise the stomach muscles throughout the weekend. Winds ranged from 18 to the high 20s out of the north on Friday with more of the same on Saturday until the third race when they moderated. Sunday morning's race was in 15-18 south diminishing by the end of the race. Here are the results.
