

WMYA Annual Regatta

Annual Regatta, Torch Lake YCC, MI
August 7 - 8, 1991

It's hard to describe the thrill of the Western Michigan Yachting Association regatta returning to Torch Lake after they had missed the rotation for several years. For those who have never sailed on Torch Lake you have a big treat awaiting you. Both in the beauty of the water and of the surrounding countryside.

The Torch Lake Yacht and Country Club put on an outstanding regatta and are to sincerely congratulate.

For details of this year's Westerns, watch for complete coverage in an upcoming issue of Sailing World. Reporter Dave Powlison of Vermont covered the event and finished a more-than-respectable 27th in this largest-ever MC fleet of 87 boats.

Bix Regatta

July 27 - 28, 1991

Lake Davenport SC, Davenport, IA

Story by Tony Bruskas

Light winds, moderate current, and no barges(!) were factors in the first ever Bix Biederbeck regatta.

No skippers ran the Bix 7-Mile race but 18,000 others did run this other event of the Bix Biederbeck weekend in Davenport Saturday morning. Several of the sailors attended the Bix Jazz concert and so far as we know no one went home broke from the gambling on the riverboat casino.

Weather for the regatta was cool for July. Last minute cancellations prevented a starting fleet of the expected 24 MCs. Mike Miller mastered wind and current in the first and third races for the overall win, while local sailor Dick Duley won the second race as well as Masters honors.

LDSC is enthused about repeating this regatta in 1992. Sounds like a great time and we should see more entries next year.
