

# North Lake YC MC Fall Classic

North Lake, Wisconsin (35-40 miles west of Milwaukee on Route #83) September 16 - 17, 1989

North Lake MC fleet is just two years old and growing with nine boats presently. North Lake has 430 acres and a fleet of C boats also. In fact the winner of this inaugural annual September event is a C boat sailor who borrowed an MC.

The same light winds that plagued the SLYC regatta that same weekend were present at North Lake and they too sailed just three races.

## 1989 Blue Chip

Grand Rapids Yacht Club, September 23-24, 1989

51 invitations were sent to qualified Blue Chip sailors with 26 showing up for a cold-weather, hot competition regatta. Saturday's chilly northwesterly winds were steady 17 mph with puffs to 30 for most of the day. The RC tried twice to get the first race underway early in the afternoon but it was 4 pm before the winds abated enough to get in two races over an Olympic course. Waves and big puffs made it a challenge which Eric Hood and Gordy Bowers (1988 Olympic coach) met by winning the first and second races respectively.

The yacht club's furnace and glowing fireplace kept everyone warm while waiting for the races. Cocktails and dinner Saturday night at the Holiday Inn provided a great atmosphere for talking out the rigors of the afternoon races. There were several strong contenders for top prize at "Shout" later that evening with no clear winner emerging.

Sunday morning's 30° temperature froze covers and running

rigging! Fortunately the wind hauled around to the south overnight and built enough to get in three races Sunday morning. These were won by Eric Hood (first two) and Dan Quiram. Top honors went to Eric Hood, professional; Dave Kistler, amateur; Sid Peterson, master; and Lynn Walborn, top woman.

Happy and Carl awarded trophies after a warm lunch served by Kathy Fox and Betty Harrett and crew. We all owe them and Chuck Harrett a "well done" for another great Blue Chip regatta.
