Dear Editor:

The following are the results of the MC National Championship Regatta held this past weekend, and a short write-up of the regatta. It would be appreciated if you would publish this information in your magazine as soon as possible.

The 18th Annual MC National Championship Regatta was held at White Bear Lake, MN (Fleet 22) Sept. 9-11, 1988. There were 59 boats registered from Minnesota, Michigan, Nebraska, Florida, Missouri, Colorado, Illinois, Iowa, Wisconsin, and Indiana. The racing competition was keen, and the winds ranged from little & nothing to sturdy & shifty. Winds were 8-12 and 12-15 for the 1st two races Friday morning; race 3 was postponed as winds pushed 30, and rescheduled later, starting with winds at 18 and finishing in a drifter as the sun lowered along the horizon. Saturday was hazy, with smoky skies showing effects from the forest fires in Yellowstone National Park; morning races sailed in 5-10 breezes, and afternoon in steady 15-18. The 7th and final race Sunday started in SSE 12-15 winds, which steadily built to 22-25; a half hour after the finish, winds were clocked at a solid 30 again!

That's a hint to you to send the information for your regatta as shown here. We'll try to incorporate points in the future.

The abbreviations are M for Masters (usually over 50 at the beginning of the race year) and P for Professional.
