AUGUST 28, 29 & 30, 1981

Fleet No. 14

MC FLEET 14 cordially invites you to attend our 2nd Annual Regatta. We offer excellent small lake sailing and a great time, with the emphasis on the **great time!**

PLACE: Missouri Yacht Club - Lake Lotawana, Missouri. Ample parking for cars and boat trailers (sorry - house trailers, campers, tents, etc. are not allowed, but there are campgrounds in the area), concrete sloping launch ramp, launching boom with winch, dining room, self service bar, snack bar, and five large docks.

Lake Lotawana: A man-made private residential lake with over 600 acres of water located approximately 20 miles East of Kansas City, Missouri and about 6 miles South of I-70 on Missouri Highway 7. All of us live on the lake and dry sail our MCs off of lifts on the lake shore.
