Fall Classic VII

September 16-17, 1995, Fleet 48 North Lake YC, Wisconsin

Margie Kendall furnished the following information.

The early morning light brought a welcome sight to the eyes of all of the MC sailors on North Lake. By sunrise there was a wind steadily building out of the southwest which would enable the sailors to use the length of big North Lake for those long beats to weather. A record of 28 off-lake boats were launched on a beautiful Indian summer day bringing the regatta total to 36 lucky sailors.

Dan Guidinger, formerly of Pewaukee Lake, finished first in race #1 followed by James Berman of Beulah. In the 2nd race on Saturday, Jeff Lippert of Beulah beat Pete Comfort of Torch Lake, Michigan for first and second place.

On Sunday, the wind gods again smiled favorably with winds blowing predominately out of the north. Two races were sailed before lunch with Guidinger and Berman placing first and second respectively in both races. Low point scoring was used for this regatta

We hope to see everyone again next year! Happy ice boating.
