# 1st Annual MC North American Regatta

May 2-3, 1992, Fleet 38-Pewaukee YC, WI

This turned out to be the greatest one race regatta in years. The two Dans, Quiram and Guidinger, their committees, and the Pewaukee YC did an great job with all the arrangements. The food, etc. except managing the weather.

One outstanding impression -- Pewaukee YC is going to be a great place for the 1994 MC Nationals!

But the weather was the news this weekend. Setting up the boats Friday afternoon was just plain hot. Saturday was windy and not too cold, while Sunday morning was cold -- How cold, you ask? 29° wind chill which was a combination of 40° temperature and 20-30 mph winds. When Bill Freytag showed up Sunday morning it was to, in his words, help shovel the (ice) rink because he knew we wouldn't be sailing when earlier he saw the geese headed back south! When someone observed that it looked like the wind was going down, Bill added still another one liner -- You've got the wind gauge confused with the thermometer.

The one race, on Saturday was a great one with a duel going on among the top four or five boats. And you might conclude that local knowledge came into play as on the final beat it was Dan Quiram and John Wild fighting for the bullet. Going back, Dan and John started near mid-fleet for the Olympic course. Winds were 18-25 from the NNW. Brett Hatton led the way around the first mark, followed by John Wild, and Dan in 6th. Going up the next to the last windward leg, John opened up a nice lead followed by Brett, Dan and Gordy Bowers. John and Gordy went off on a starboard jibe while Dan jibed over onto port at the mark and caught a puff which closed him up to John at the final leeward mark. Going up to the finish line saw these two crossing several times, until John lee-bowed Dan. This proved his undoing, Dan having to tack away found a lifting puff which gave him the edge at the finish line.

As I interviewed Dan and John, I realized one of the reasons I found my spot in the middle of the pack -- I was out there with my crew just trying to survive and finish, while these two (and others) were actually looking for lifts!

(continued on page 6)

PeYC Regatta Winners- Back L to R: Hardy Will, Jason Brown, Curt Bradley, Gordy Bowers, Dan Quiram, John Wild, Brett Hatton, Glen Walborn, Dan Guidinger. Front L to R: Kathy Will, Angie Brown, Ken Burr, Diana Bower, Sarah Weber, Tammy Quiram

(North American Regatta continued from page 5)

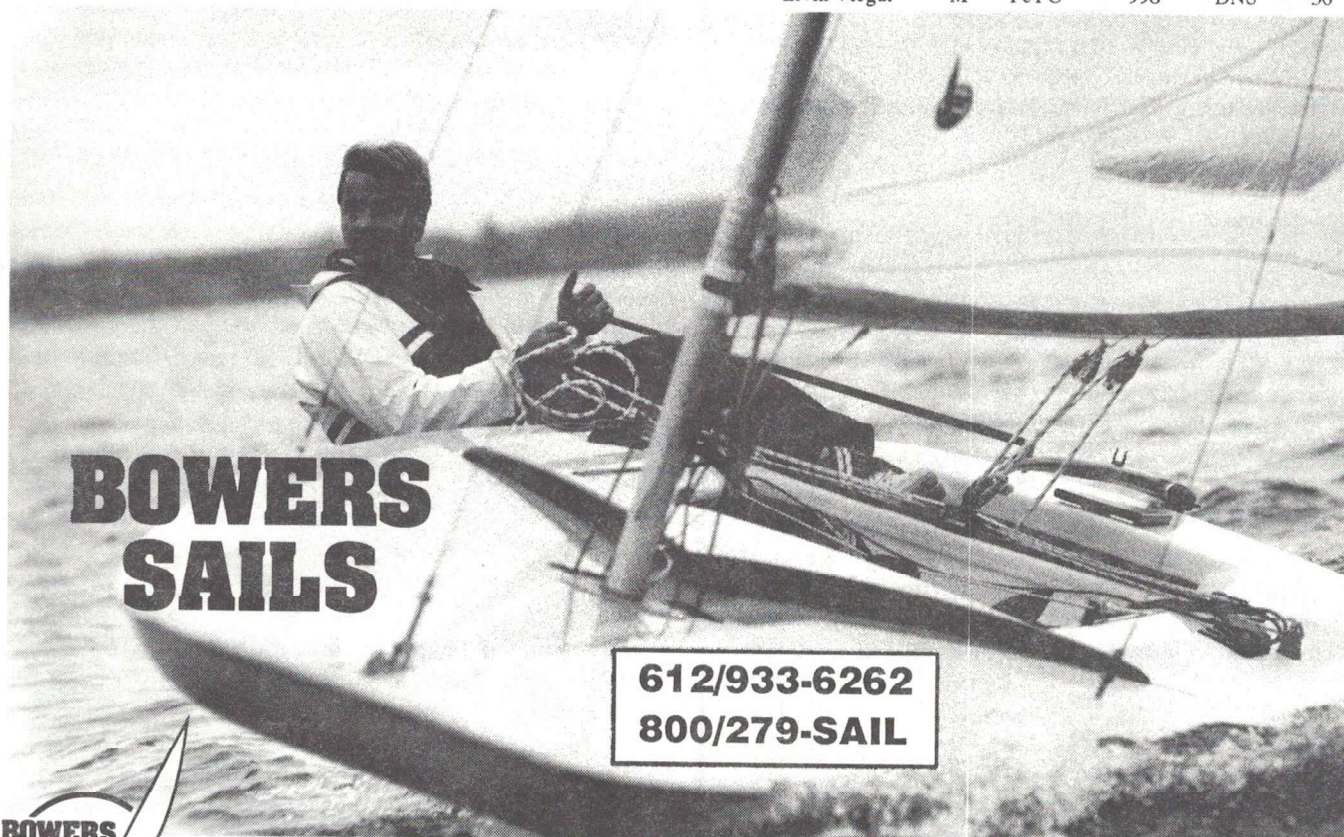

In keeping with the IMCCSRA policy of recognizing women, juniors and masters, let me point out that Katie Reese, with mother Suzi as crew, was the top woman AND junior. Bob Burdick (yes, he's Andy's father) topped the masters sailors with a 6th overall.

The committee had trophies for each race winner of which the other four are being re-etched and awarded to places 6 through 9.

I also asked Dan Quiram about Pewaukee's program and he said the MCs season consists of 14 races sailed Saturday mornings through the summer. They do have twilight races Tuesdays. Pewaukee has about 260 members who sail X, MCs, M16, Cs, Es, and As. They utilize 18 sailor teams for judging their races. There's plenty of parking, two launch ramps, and a really great club house. In 1996 the club will celebrate its 100th anniversary. Pewaukee Lake runs roughly east and west, has a 14 mile shoreline and is located in relatively flat country.
