Commodore's Corner

We have much to be thankful for in this Holiday season. Our Class membership is strong and the Class is hosting regional regattas all over the country. Our sanctioned events are well attended, and many new boats are being built further strengthening our Class.

I would like to thank Joe Friction, and David Helmick as outgoing Board members as well as Bob Wynkoop for his many years of service as our Communications Director. I would be remiss, if I did not thank our current Board members, Dan Fink, Brian Morgan, Mike Keenan, Andy McDonald, and Stefan Schmidt, for their assistance and guidance as well.

Please welcome our newest Board members, Al Haeger, Ron Hull and Scott Harestad. Scott is the new Vice Commodore and Ron will keep busy as as Communications Director. With the new year Dan Fink also moves up to Commodore, as he takes over leadership of our Class.

Although my time as Commodore is over, I look forward to working with the current Board members in my new role as Rear Commodore, and as the ongoing Secretary for the Class. I hope to see you all at our regional and sanctioned events, and wish you all the best in the coming New Year.

Richard Blake
Commodore

Editor's Note

It's a kick to be the editor of this magazine for so many years. I think back to 2012 when I drank too much and stayed up late gabbing with "Finkster" about how the MC magazine could be so much more than just regatta reports inset with polaroids of trophy recipients. I didn't know it at the time but that turned out to be a job interview for the new MCSA Communications Director position. Those of us who plan and strategize what will be included in the next Touch of Class simply call it the TOC. There have been lots of missed deadlines and a few mistakes here and there but mostly I think we accomplished our goal to improve the product; incredible full color photos, feature articles and places for the average MCSA member to contribute ideas, observations and levity. It's always been a

group effort – Dan Fink, Nancy Lee, all the talented photographers – Mari, John, Lisa, Evan & Bill plus everyone else who put pen to paper for our enjoyment, especially Eric Hood, who's always good for a timely regatta write up. I thank you all. This is my last issue; work has gotten very busy, I've got new grand babies and too many other obligations to be able to continue. Ron Hull is taking the helm, bringing his unmatched enthusiasm for the MC and the racing sailing lifestyle to bear. He will put his own touches on the TOC and I can't wait to see the next issue.

Sail fast

Meet the Board of Governors

Richard Blake lives in Galloway, Ohio, a suburb of Columbus, Ohio, and Sails out of Hoover Sailing Club. Richard is married to Tracy, and is a father to three girls and a grandfather to two grandchildren. Richard is a Director in the Legal Department of the Ohio Bureau of Workers’ Compensation. Richard currently sails MC # 2161.

David Helmick is a MC sailor since 2009, and a longtime Florida one design and off shore sailor. He’s the current Commodore of Lake Eustis Sailing Club and often accompanied by his lovely wife Nancy.

Joe Friction is married to Jenny, and has two boys, Lucas and Charlie. Joe lives in Minneapolis, Minnesota, and sails on Lake Harriet, He is currently working on growing team racing in the MC fleet. Joe learned to race at the University of Iowa, and is now teaching his love of sailing to his boys. Off the lake, Joe is an attorney representing dental practices and other small health care businesses.

Mike Keenan started sailing in 1958 with his brother Tom on Spring Lake in a pram with an oarlock on the transom and a skate sail. In the early 1960’s we crewed for our Dad on his C Scow and soon thereafter Dad found himself off the boat. In the early 1970’s Dad hopped into an MC and Dad and Mom became founding members of the MCSA. Following a career as a carrier-based Naval Aviator, President of a lighting company, husband to Carol, and father of four.....I purchased my first sailboat, MC 2010. I regained my sea legs as a member of the Hoover Sailing Club and have been active on the regatta circuit for the past seven years. I truly enjoy the friendships, comradery, and competitive spirit found in the MCSA, and I look forward to the opportunities of promoting and enhancing MCSA membership.

Andy McDonald grew up sailing at the Indianapolis Sailing Club. After participating in a few different classes, he decided to campaign a Thistle for many years all around the country. In 2000 he was fortunate enough to win the Highlander Class National Championships. As an empty nester with three sons out in the world, Andy discovered sailing again through the MC Scow. His first MC Scow race was Race #1 at the 2015 Nationals and he has made several MC regattas since and is a driving force in the new fleet in Indy.

Stefan Schmidt originally from Shorewood (Milwaukee), WI. I started sailing as an X boat crew for renowned M-16, MC racer and ILYA/national race officer, Bill Best on Big Cedar Lake, WI around 1960. Many years later (mid 80s) I started skippering, getting hooked on Badger Tech racing at Hoofers Sailing Club in Madison, WI where I now live with Kristi Betts (often seen with her bright green kayak at regattas on the circuit). I have owned and raced Lasers, Windsurfers, M-20s, I-20s, E scows and served as Mendota Y.C Commodore in 2001. The MC fleet (since around 2010) is my primary home for racing now. I am so impressed by the joyful and generous spirit of this class and am thankful to all who have helped me try to improve. Where else can someone compete in large venues in all regions of the country against all levels of racing ability?

Dan Fink aka “Squad Car.”

Fleet 99's Christmas Party

These three MC owners were part of the entertainment at Fleet 99's (Essex, CT) Christmas Party. None of them had ever put a name on their boats so the crowd was given a chance to vote on several. The MC Applause Meter measured the favorite for each skipper.

L to R, Dirk Plas (SANDWEDGE), Vic Hoehnebart (VICAPEDIA), Burke Wasserman (TIPSY).

PROVEN SPEED

Mari Johnson, Regatta Girl Photography

From day one our sails have proven to be fast out of the bag and caught the eye of top sailors in the MC Class. With continued involvement in the class and fine tuning of our designs they are now at the top of every regatta. The results speak for themselves.

Check our website and see the victory list or inquire about our fast sails with John Porter, Ryan Grosch, Mike Considine or our East Coast representative Bob Wynkoop. Make 2019 your year to shine!

MCSA Team Championships
Fleet 52 - Upper Minnetonka YC, MN, September

10th Annual MC Team Racing Fall Regatta

MC Team Regatta Racing Brings Champagne Sailing on the Upper Minnetonka The Upper Minnetonka Yacht Club hosted the tenth anniversary of the MC Scow National Team Regatta on its home lake. Competitors were treated to champagne sailing conditions with winds between 9 and 15 miles per hour, sunny skies, and temperatures between 68 and 70. The 2018 edition of the Team Regatta over the September 8 - 9th weekend brought evenly matched teams, close racing, and tight finishes. Believe it or not, it has been ten years since the first MC Team Regatta on Clear Lake - and it's still going strong.

Those unfamiliar with the team racing format, each team consists of three boats in a round - robin competition against other three boat teams. The strategy is a combination of speed, boat handling skills, and tactics over a short course.

This year's race on the Upper Minnetonka was a windward - leeward with a long windward offset. At the windward mark competitors exited in the "non - traditional" starboard side, then on

a reach to the offset and downwind to the one leeward mark exiting in the "normal" port side. Competitors went around the course - twice.

Because of the scoring unique to team racing, during the race, teammates keep an eye not only on their competition, but each other to see what place they are in. A team finishing with 10 or fewer points wins. So, on the boat, while everything else is going on inside the boat and outside the boat, you need to do the math. For instance, a 1, 2, and any other place wins; a 1, 3, and another finish wins; A 2, 3, 5 finish is a winning combination as is a 1, 4, 5 finish.

And while on the course, if your team numbers are not adding to a winning combination, then tactics become critical. Teammates will cover opposing competitors to better the position of another teammate. Another might drive a competitor clear off the course. Mark trappings and tacking duels - anything within the rules to gain a better position and gain a winning combination is fair and were witnessed on the water.

Meanwhile, for the 2018 edition of the Team Regatta, competitors enjoyed lunch

at the UMYC marina in its park - like setting on Enchanted Island. After the competition, competitors and guests enjoyed dinner at a local restaurant enjoying great food, drinks (first round was on the UMYC), great conversation and planning for next year's team regatta racing.

Top results for the 2018 Team Regatta: First Place: Joe Friction, John Grzybek, and Joe Reincke. Second Place: Keith Morical, Dave Abramson, Jamie Fraser; Third Place: Noel Neuman, Darin Newman and Rich Gross, and Mike Schlutz. The UMYC will host the 2019 edition of the Team Regatta on the Upper Minnetonka Lake. Plan for 2019's Team Regatta - it's unique; it's challenging; and above all, it's fun!

2018 MCSA Team Champs

First Place: Joe Friction, John Grzybek, and Joe Reincke.

Second Place: Keith Morical, Dave Abramson, and Jamie Fraser

Third Place: Noel Neuman, Darin Newman and Rich Gross, and Mike Schlutz (Rich and Darin teamed up together)

Do Not Buy ANY Boat Cover Until You Study This Comparison Chart

Sailors' Tailor	Competitors
Typically lasting 7-10 years	Industry norm is 5 years
PTFE Teflon thread at NO UPCHARGE	Chemically stripped polyester thread lasts 2-3 years
Unique waterproof Vinyllike double-coated Poly Army Duck	Uncoated, or laminated fabric that delaminates & leaks
Flat-Felled seams double stitched through 4 layers	Single or chain stitched through 2 layers
Double-folded hems stitched through 3 layers	Turned-up hems stitched through 2 layers
Ample reinforcing over all stress points	Little or no reinforcing over wear spots
Stand-up flaps that snap around stays	Gaping opening or Velcro that fails at the first sign of grass
5/16" elastic shock cord in the hem AND tie downs	Tie downs or cotton draw cord
Supplied hardware	A trip to the hardware store

Skirted Mooring Cover is pictured. Also available: Traveling cover, Bottom cover, Cockpit cover.

Call 1.800.800.6050 NOW for The FREE Sailor's Pack! It includes:

- FREE How to Choose the Right One-Design Sailboat Cover
- FREE Poly Army Duck and Acrylic fabric samples.
- FREE Diagram of what correct seams and hems look like.
